Organized by

VIETNAM ENERGY SUMMIT 2020

Dissemination of the Politburo's Resolution No. 55-NQ/TW on the Orientation of Vietnam's National Energy Development Strategy to 2030, with a vision to 2045

KEYNOTES

Time: 08:00 – 12:00, Wednesday, July 22nd, 2020

International Convention Center, 11 Le Hong Phong street, Ba Dinh, Hanoi

Co-chaired by:

1. **H.E. Mr Nguyen Xuan Phuc**, Member of the Politburo, Prime Minister
2. **H.E. Mr. Nguyen Van Binh**, Member of the Politburo, Member of the Central Secretariat, Chairman of the Central Economic Commission
3. **H.E. Mr. Phung Quoc Hien**, Member of the Central Secretariat, Vice Chairman of the National Assembly
4. Representative from Central Propaganda and Training Commission
5. Representative from the Office of the Government
6. Mr. Minister of Industry and Trade
7. Mr. Minister of Planning and Investment
8. Mr. Minister of Natural Resources and Environment

07:30	DELEGATE REGISTRATION
08:00	V.I.P TOUR
08:15	INTRODUCING VIP <i>Mr. Nguyen Duc Hien, Vice Chairman of the Central Economic Commission</i>
08:20	DISPLAYING VIDEO CLIP “HOW TO REALIZE THE RESOLUTION NO.55 – NQ/TW”

08:30	<p>OPENING REMARK <i>H.E. Mr. Nguyen Van Binh, Member of the Politburo, Member of the Central Secretariat, Chairman of the Central Economic Commission</i></p>
08:45	<p>STEERING REMARKS BY THE PRIME MINISTER</p>
	<p>KEYNOTES</p>
09:00	<p>The action plan of the Government for deploying the Politburo’s Resolution 55-NQ/TW, dated 11/02/2020 <i>Representative from Ministry of Industry and Trade</i></p>
09:15	<p>Growing & Greening – EU’s experience <i>International expert of the European Union (EU)</i></p>
09:25	<p>Online speech: United States Department of Energy’s Initiatives and Support for Renewable Energy Development in Southeast Asia and Vietnam <i>H.E.Mr. Dan Brouillette, Secretary of the U.S. Department of Energy</i></p>
09:35	<p>TEA BREAK</p>
10:15	<p>MOU SIGNING:</p> <ul style="list-style-type: none"> - Collaborating on investment and development of the GasPower plant Project in Chan May - Lang Co Economic Zone (US\$ 4 billion) between Chan May LNG and Thua Thien Hue province. - Collaborating on research and investment for Thang Long Wind Project (US\$ 11,9 billion) between Enterprize Energy (UK) and a group of domestic investors.
10:10	<p>EXECUTIVE TALK</p>
10:10 – 11:45	<p><i>Theme: Action plans to realize the Politburo's Resolution No. 55-NQ/TW</i></p> <p>Topic of discussion</p> <ul style="list-style-type: none"> - Clarifying major point of view and new breakthrough points of Resolution No.55-NQ/TW, the action plans and programs of the Government and the National Assembly in the implementation of Resolution No.55-NQ/TW (Leadership from the Party, the National Assembly and the Government)

	<ul style="list-style-type: none"> - Removing barriers on mechanisms, policies and regulations to facilitate national energy development according to the views, guidelines and requirements of Resolution No.55-NQ/TW (Ministry of Planning and Investment, Ministry of Industry and Trade, Vietnam Energy Association, Binh Thuan, EVN, Trung Nam, and other enterprises) - Investment in upgrading energy infrastructure; Environmental protection; Application of modern technologies and Establishment a number of renewable energy centers in advantageous regions and localities (Ministries of Industry and Trade, Natural Resources and Environment; provinces: Quang Ninh, Ninh Thuan, Tra Vinh, Son La; Vietnam Business Forum, Chan May LNG, PVN, TKV, and other enterprises).
11:45	<p>CLOSING REMARK <i>H.E. Mr. Nguyen Van Binh, Member of the Politburo, Member of the Central Secretariat, Chairman of the Central Economic Commission</i></p>
12:00	<p>END OF KEYNOTES</p>

CONFERENCE SESSION 1

THE ENERGY TRANSITIONS ASSOCIATED WITH THE DEVELOPMENT OF SUSTAINABLE ENERGY INFRASTRUCTURE IN THE NATIONAL ENERGY DEVELOPMENT STRATEGY TO 2030, WITH A VISION TO 2045

Co-chaired by: Representative from Central Economic Commission, Ministry of Industry and Trade, GIZ

Location: International Convention Center, 11 Le Hong Phong street, Ba Dinh, Hanoi

Time: 13:00 - 17:00 (Concurrently with Conference Session 2, 3, 4)

13:00	DELEGATE REGISTRATION
13:30	V.I.P INTRODUCTION
13:35	OPENING REMARK <i>Representative from the Central Economic Commission</i>
13:45	WELCOME REMARK <i>Representative from the Germany Embassy in Hanoi</i>
	KEYNOTES
13:55	Opportunities and challenges for Vietnam in the energy transitions <i>Representative from Ministry of Industry and Trade</i>
14:10	The energy transition – Worldwide experience and some suggestions for Vietnam <i>International Consulting Expert from GIZ</i>
14:25	Building and developing sustainable and friendly environmental energy infrastructure <i>Consulting Expert from SAP</i>
14:40	New idea: Long-term vision to minimize pressure on electricity infrastructure investment: The concept of Negawatt power <i>International Consulting Expert from GIZ</i>
14:55	TEA BREAK
15:25	PANEL DISCUSSION

Moderator: Consulting Expert from GIZ

Panelists:

- Representative from Ministry of Industry and Trade, Vietnam Energy Association
- Representative from EVN, PVN, TKV
- Consulting Expert from GIZ, SAP, Angelin Energy, etc.

Topics of discussion:

- Trends of energy sector transformation and lessons learnt from other countries;
- Mechanisms and policies for promoting sustainable and efficient energy sector transformation;
- Development direction of clean and renewable energy in the process of power sector transition;
- The transformation of the primary forms of energy into electricity and the role of intelligent storage and production systems;
- Developing energy infrastructure to balance technical - economic - environmental aspects;
- Recommendations for the development of large-scale coal transshipment system and LNG system in Vietnam;
- Other topics...

16:50

CLOSING REMARK

Representative from the Central Economic Commission

17:00

END OF CONFERENCE SESSION 1

CONFERENCE SESSION 2

RENOVATING THE ENERGY CONSUMPTION STRUCTURE ASSOCIATED WITH ENERGY SAVING AND EFFICIENCY FOR VIETNAM'S SUSTAINABLE ENERGY DEVELOPMENT TO 2030, WITH A VISION TO 2045

Co-chaired by: Representative from leadership: Central Economic Commission, Ministry of Industry and Trade, EU

Location: International Convention Center, 11 Le Hong Phong street, Ba Dinh, Hanoi

Time: 13:00 - 17:00 (Concurrently with Conference Session 1, 3, 4)

13:00	DELEGATE REGISTRATION
13:30	V.I.P INTRODUCTION
13:35	OPENING REMARK Leadership of Ministry of Industry and Trade
13:45	WELCOME REMARK EU Ambassador
	KEYNOTES
13:55	National Energy Efficiency Action Plan (VN-NEEAP3) in Vietnam <i>MOIT/ EESD Department</i>
14:10	Energy Efficiency Policy at the core of the clean energy transition: achievements and opportunities in the EU <i>International Consulting Expert from EU</i>
14:25	Energy Efficiency in the Transport Sector: New & Innovative Technologies <i>International Consulting Experts from SWITCH Asia/ EU</i>
14:40	Energy Efficiency & Conservation in Buildings in Vietnam: Vision, Policies, good Practices and Innovative and Efficient Technologies) <i>International Consulting Experts</i>
14:55	TEA BREAK
15:25	PANEL DISCUSSION, Q&A

Moderator: Representative from MOIT - EESD Department/
Consulting Expert from EU

Topics of discussion:

- Restructuring energy consumption areas from practice to policy recommendations;
- Urban transportation and energy efficiency;
- Opportunities and challenges for the development of e-vehicle industry in Vietnam;
- Application of energy-saving technologies in industrial manufacturing factories;
- Role and impact of renewable energy and electricity prices on the promotion and development of renewable energy and energy efficiency.

Panelists:

- Representatives from MOIT
- International Consulting Experts from ASEAN, EU...

16:50

CLOSING REMARK

Representative from the Central Economic Commission

17:00

END OF CONFERENCE SESSION 2

CONFERENCE SESSION 3

DEVELOPMENT OF SUPPORTING MANUFACTURING INDUSTRY, SERVICES AND TECHNOLOGY INNOVATIONS FOR THE ENERGY SECTOR

Co-chaired by: Representatives from Central Economic Commission; Ministry of Industry and Trade; Committee on Science, Technology and Environment of the National Assembly; Vietsovpetro

Location: International Convention Center, 11 Le Hong Phong street, Ba Dinh, Ha Noi

Time: 13:00 - 17:00 (Concurrently with Conference Session 1, 2, 4)

13:00	DELEGATE REGISTRATION
13:30	V.I.P INTRODUCTION
13:35	OPENING REMARK <i>Representative from Central Economic Commission</i>
13:45	WELCOME REMARK <i>Representative from Committee on Science, Technology and Environment of the National Assembly</i>
	KEYNOTES
13:55	Vietsovpetro's Capabilities & Resources for wind power project <i>Mr. Vu Mai Khanh, Deputy General Director, Vietsovpetro</i>
14:10	Development of manufacturing industry, supporting services for Vietnam's coal and mineral industry by 2030 and recommendations on mechanisms and policies <i>Representative from Vinacomin</i>
14:25	Smart grid: solution for developing renewable energy sources <i>Representative from EVN</i>
14:40	Smart PV solutions for solar energy <i>Consulting Expert (Huawei)</i>
14:55	Rooftop solar photovoltaic potential in cities <i>Consulting Expert (Longi)</i>
15:10	TEA BREAK
15:40	PANEL DISCUSSION

Moderator: Representative from the Central Economic Commission

Panelists:

- Representative from MOIT
- Committee on Science, Technology and Environment of the National Assembly
- Representative from VAMI
- Representative from TKV, EVN, Vietsovetro
- International Consulting Expert

Topics of discussion:

- Capacity assessments of the supporting manufacturing industry and services for Vietnam's energy industry;
- Mechanisms and policies to encourage and support the development of manufacturing industry and services for energy sector;
- Investor discussion on the quality and economic efficiency of some localized products in the energy sector;
- Strategy to increase the localization rate in the energy sector – suggestions and action plans;
- Other topics...

16:50

CLOSING REMARK

Representative from Central Economic Commission

17:00

END OF CONFERENCE SESSION 3

CONFERENCE SESSION 4

NEW AND RENEWABLE ENERGY SOURCES DEVELOPMENT IN THE NATIONAL ENERGY DEVELOPMENT STRATEGY TO 2030, WITH A VISION TO 2045

Co-chaired by: Representative from Central Economic Commission; Ministry of Industry and Trade; the Embassy of Australia ; Vietnam Business Forum (VBF)

Location: International Convention Center, 11 Le Hong Phong street, Ba Dinh, Hanoi

Time: 13:00 - 17:00 (Concurrently with Conference Session 1, 2, 3)

13:00	DELEGATE REGISTRATION
13:30	V.I.P INTRODUCTION
13:35	OPENING REMARK <i>Leadership from the Central Economic Commission</i>
13:45	WELCOME REMARK <i>Leadership from the Embassy of Australia</i>
	KEYNOTES
13:55	Developing renewable energy in Australia and lessons for Vietnam (tentative) <i>Consulting Expert from Australia</i>
14:10	Best practices sharing on building solar energy plant <i>Mr. Nguyen Tam Tien, CEO, Trungnam Group</i>
14:25	The model of new solar energy and wind energy in Australia and recommendations for Vietnam (tentative) <i>Consulting Expert from Australia</i>
14:40	Application of modern technologies for small-scale distributed generation <i>Consulting Expert from Wartsila</i>
14:55	Sharing experiences on building independent renewable power system for an industrial zone and policies recommendation. <i>Consulting Expert from Vietnam Business Forum</i>
15:10	TEA BREAK
15:40	PANEL DISCUSSION

Moderator: Representative from the Central Economic Commission

Panelists:

- Representative from MOIT
- Representative from VBF
- Representative from Trung Nam, BIM Group, SolarBK, etc.
- Representative from Chan May LNG, other enterprises.

Topics of discussion:

- Opportunities and challenges for investing in renewable energy in Vietnam;
- Mechanisms and policies for promoting new and renewable energy sources;
- Solutions to optimize electricity structure and integrate renewable energy;
- Other topics...

16:50

CLOSING REMARK

Representative from Central Economic Commission

17:00

END OF CONFERENCE SESSION 4
